Europe's largest festival of tech.

London Tech Week is Europe's largest festival of live tech events taking place across London and celebrating the capital's booming, diverse and vibrant tech eco-system.

With the whole community coming together to shape the future of tech and with content covering all tech verticals, from fintech and smart cities, to adtech and medtech, London Tech Week is the ideal time of the year to come to London and make the most of these opportunities for your business.

London & Partners will be hosting an event on Monday 11th June about scaling up in London and the UK. For more information on this event and the many other bespoke events that will run across the week, visit londontechweek.com

How to get involved

Are you looking to set up or expand your business in London? London Tech Week is the perfect opportunity to build lasting partnerships within the industry.

Attend London Tech Week events

With over 300 events taking place across the city to choose from, London Tech Week offers a multitude of learning, networking and business opportunities.

- ◆ Deepen your insights in tech
- ◆ Discover the latest technologies shaping the future
- ◆ Understand the strategies required in this exciting digital age
- ◆ Meet with potential partners and investors
- ◆ Get insights on how to set up and grow in London
- ◆ Meet and recruit new talent
- ◆ Share digital skills with peers

Why not host your own London Tech Week event?

The line-up of events will be made up of all shapes and sizes, from big conferences to smaller workshops and breakfast meetings. Plug your brand into the booming London tech scene by hosting your own LTW event: londontechweek.com/host-an-event.
