**CREATE AN IMMERSIVE EXPERIENCE
TO SURPRISE & DELIGHT DELEGATES!**

Principal. London DMC offers you 25 years of experience, flourishing over the years as a creative, solutions lead DMC for not only London, but throughout the UK.

The following case study highlights how Principal can help you create unique and memorable experiences that surprise and delight at every turn!

The Brief:

A well-known U.S. software company enlisted our help to create an immersive gala spectacular in one of London's most iconic venues – Tobacco Dock. Catering for 3,000 discerning international delegates, it was time to pull out all the stops to transform Tobacco Dock into a true 'Vintage Circus'!

The Solution:

Our client's brief emphasized the importance of creating networking opportunities, but with a creative twist. Transforming a Grade 1 listed building into a fully immersive Circus experience is no mean feat. From a design perspective, we focussed on integrating corporate branding with striking graphic installations, circus style draping and props to enhance the look and feel of every experience. As a venue with many areas, we utilised every space for different activations while a central hub and surrounding rooms offered engaging environments to interact with. In 'The Void' we created the 'Circus of Senses', using experimental food and beverage activations to encourage conversation and networking. In the 'Acoustic Saloon' guests enjoyed live acoustic acts, surrounded by interesting visual props. Fun and games were had within a Vintage Games alley or, even better, a full dodgems installation for guests to entertain themselves! In the 'Circus Main Stage', we featured headline bands and acts, while the 'Big Top' housed lounge furniture and stages for a variety of contemporary circus performers, including tap dancers, mirror men, illusionists and more! The highlight of the

evening was a choreographed 'Greatest Showman' performance that offered the perfect climax, paving the way for the delegates to continue to dance well into the night!

The Verdict:

From arrival to departure, guests were fully immersed in the 'Vintage Circus' theme. With wandering acts, branded giveaways and festival food, the whole event was a resounding success with the client and their delegates citing it as their best event yet!
